OVERDOSE HAND-CREATED

**no CUSHION has ever been SO silky**

The designs chosen from nacQue's various collections become silk cushions in nacQue Decor Collection to embellish your home with the noble and splendid touch of silk. Each Cushion is produced as a pair and in a limited quantity based on its design theme in its original design colors and is created by hand sewn.

The nacQue's cushion are stylized as double-sided and the designs of their front face and back face have the same, different, or similar reflected designs for versatile use.

The outer edges of each cushion are surrounded by special hand-braided and hand-sewn 100% silk cords and the inner faces of all cushions are lined with 100% pure silk lining.

Produced with artisan touches, the nacQue's Silk Cushions bring unique luxury to yourhome.

Measures: 45x45 or 30x55 cm

With Only 3 or 5 pieces Limited Edition Quantity
